

Tinnitus and hearing loss prevalence

affected by tinnitus

affected by hearing loss as well

Study¹: Can 24/7 amplification offer greater reduction of tinnitus symptoms?

33

participants with self-reported bothersome tinnitus

11

Daily wear hearing aid

11

Lyric hearing aid

11

Tinnitus masker

Results of **Tinnitus Functional Index** and **Sleep Quality**
(scale measures after 1 and 3 months)

Lyric

reduces tinnitus annoyance **faster** than daily wear hearing aids

provides **greater** relief from tinnitus than daily wear hearing aids³

improves sleep quality

Benefits of Lyric:

- ▶ 24/7 amplification
- ▶ 100% invisible
- ▶ Clear, natural sound

Lyric = valid choice of hearing aid as part of a tinnitus management program
